MEMBERSHIP

SAN ANGELO COUNTRY CLUB

At San Angelo Country Club, we understand the intangible benefits of camaraderie and a sense of community are just as important as the amenities and services a membership provides. Our hope is that San Angelo Country Club is the type of club you have been searching to find, one that balances the traditions of the past with the fresh ideas of the future.

Located along the historic Concho River, the club offers a classic eighteen hole championship golf course designed to challenge every player, formal and informal dining areas, swimming and tennis facilities and service from a staff that is second to none. But perhaps best of all, it is a place to meet old friends and make new ones; a place in the heart of West Texas that you will be proud to call a second home.

GOLF

Our course has long been regarded as the "best course in West Texas", and we strive to continue that tradition through excellent course maintenance and continuing improvements. We are one of the few courses in Texas to have all Bentgrass greens, and because of the unique growth of the grass blade, we can cut low, making the greens extremely smooth. In addition to a well maintained course, San Angelo Country Club offer many services including a fully equipped driving range, an advanced teaching facility for video lessons and club fittings, both ladies and gentlemen's lockers, club bag storage, private lessons for all ages, and a junior golf program that is among the most active in the area with continued growth over the years.
